

Sign & Save Maintenance Event!

January 1 - March 31, 2010

Tune-Up Your Milking System & Save!

Start the New Year off right by taking care of maintenance issues you may have neglected due to last year's low milk prices. Sign up for a scheduled on-farm full system tune-up by one of Fisher & Thompson's experienced technicians between Jan. 1 – Mar. 31, 2010. As part of our Sign & Save Maintenance Event you'll not only get the service your dairy needs, you'll save 10% on parts, too!
